

Access pt off Trafalgar St  
Parking: parking lot

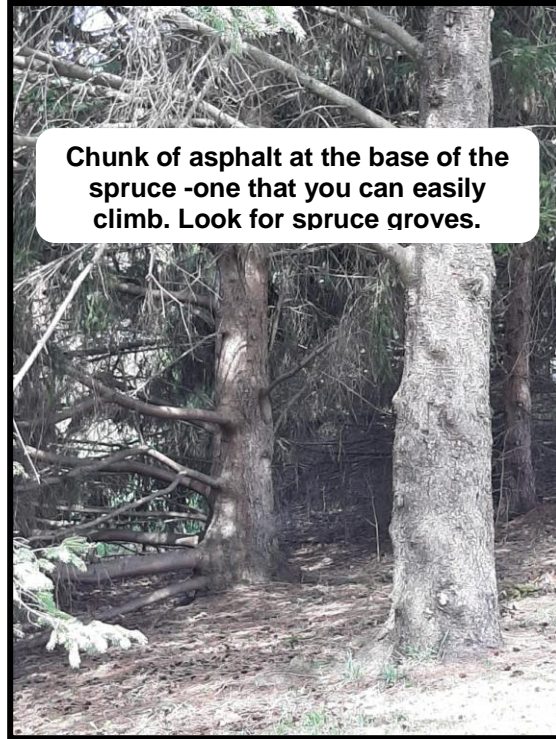

# Kiwanis Park

(use tunnel under Trafalgar Street)

Look around the concrete of this manhole.

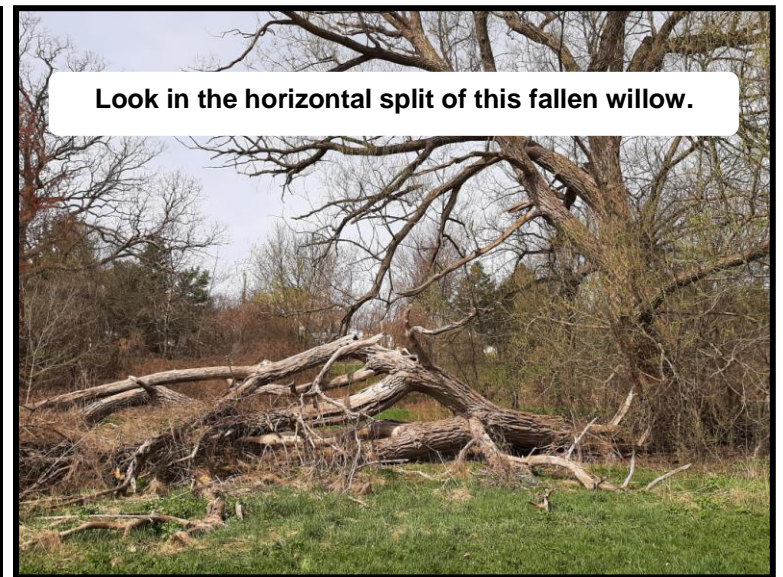

Chunk of asphalt at the base of the spruce -one that you can easily climb. Look for spruce groves.

Look under the base of the high tension post.

Look in the hollow of the dead branch by the old concrete bridge foundation.

Look in the horizontal split of this fallen willow.

Can you find all of these places and things?
